○ INTRODUCTION

The 4th Iran Maritime Economic Forum (IMEF)/ "North-South Corridor" will take place on 12-13 Feb 2024 at IRIB International Conference Center in Tehran.

This corridor is the most important route that could reduce transit time between Asia and Europe. At this forum, the importance, opportunities, challenges and development of this corridor will be highlighted. The presence of officials, managers, experts, businessmen and international traders will get the most benefit of using this corridor.

IMEF is organized by Shipping Association of Iran and Kish IICIC in cooperation with Ports and Maritime Organization of Iran (PMO), Trade Promotion Organization of Iran (TPO) and Iran Chamber of Commerce, Industries, Mines and Agriculture (ICCIMA).

The 2-day forum will be organized online and in person. Participants who are not able to attend the event physically, can use forum's virtual event platform. On the sideline of the Forum, a number of workshops will be held on topics related to the maritime industry that could not be fully explored in the main Forum as well as business promotion opportunity for companies and institutions interested to introduce their technology achievements, engineering products and services related to the transportation, transit and logistics industry. At the same time, an exhibition will be held at the venue of the Forum, where exhibitors have the opportunity to present their products, services and capabilities.

○ TOPICS

- North-South Corridor and Its role in improving international trade and transportation efficiency;
- Joint investments and regional collaborations in the North-South Corridor: Leveraging the capacities of the "ECO", "SCO" and "BRICS";
- Rail transportation, paving the way for diversification and trade development in the North-South Corridor;
- Road transportation, the backbone of the North-South Corridor;
- Chabahar port, a new gateway to the enhancement of multimodal services in the North-South Corridor;
- Ports contribute to the supply chain's additional value and Iran's involvement in maritime and transit transportation in the North-South Corridor's network;
- Government's role in regulating, developing and facilitating logistic activities in North-South Corridor.
